

MESSAGE FROM THE PRINCIPAL

11th November 2016

Dear parents, carers and families

This week we have welcomed our Governing Body for our formal Local Advisory Board meeting. Key areas on the agenda included work being done in school around person centred pathways (we will share this information with you very soon). Our attendance for last half term was 99%.

I have been at Discovery Academy this week involved in the Trust Leadership Group meeting. It is so refreshing to see the vision and progress being made at Trust Level in ensuring that the highest possible standards are being met across the MAT schools and that there is a clear strategic vision for the future in ensuring excellence across our schools. We also welcomed Nicola Wells as new Principal to Quest Academy in Rugby who will join us in January 2017.

Andy Phipps has joined us in Endeavour House for two days this week as improvement partner in supporting us in driving the House to outstanding.

Emily, Ashley, Cathy and Pauline attended a recruitment Fair on Thursday in spreading the word in recruitment of like-minded people to Endeavour. I am sure with their passion and enthusiasm in their roles at Endeavour we will have many applicants.

Lola Romera, our new After School Coordinator, is driving her vision forwards in providing as much opportunity, fun and life skills to our students. If your child does not attend After School Club and this is something that you may be interested in, please do not hesitate to contact us.

Next Friday (18/11/16) we shall be organising activities for 'Children in Need'. The theme is 'spotacular'. If your child would like to wear clothes with 'spots' this would be great. We will be fundraising for this event and would welcome any small donations.

As ever a huge thank you to all of our amazing team at Endeavour and to our incredible students for the joy that they bring to us every day.

To finish on this week's quote:

'Be the reason someone smiles today'

Towards a bright future

Best wishes

Angela O'Rourke
Principal
