Endeavour Academy Newsletter

Message From The Principal

Dear Parents and Carers and all Endeavour friends,

I am so proud to be part of the Endeavour Team that have provided exceptional support to our students. Admittedly, this term was not the easiest one, however, the team and our students proved, yet again, that we can do it when we all work together. Everyone has been so amazing, looking after each other. Well done everyone. I would like to say a massive thank you to all the families for being so supportive and understanding. We know that with the ever-changing government guidance this might have not been easy.

Our first 'Endeavour Christmas Market' was very successful. Our students and staff worked really hard making things to sell including our mosaic dishes, Christmas cards and Christmas decorations. We had a brilliant Christmas karaoke, marshmallows on the fire, inflatable decorations, Christmas themed games, hotdogs, popcorn and candy floss and we even had some 'snow'. All students enjoyed themselves, joining for some, or all parts of the event.

The academy had a high number of small projects that have been completed over the Autumn Term; new lighting in the school (house is to follow), forest school hut and Joseph's Music Corner (official opening is yet to come) and new vehicles are just few to mention. We have more to come in the upcoming term.

You might be all wondering what are the plans for rapid testing that was announced by the government earlier this week. We are still awaiting further details and will be in touch once we know more. We are currently planning to be back to school on the 4th January as planned and we are really looking forward to see all our students after they have the well-deserved rest over the holidays.

I would like to wish you all a lovely holiday season and Happy New Year.

Michaela

TERM DATES 2021

4th January-12 February

22nd February– 31st March

19th April-28th May

8th June-21st July

Our new Staff

School

We have welcomed Nourdine as Teaching Assistant in the school

Upcoming events

A brand new year!

TWITTER & FACEBOOK

We often tweet things that happen at Endeavour, or when out and about in the community. Please follow us on Twitter @ MATEndeavour_ac to see some of our tweets .

A few of our school activities

Christmas Lunch

We have had our very own Endeavour Christmas lunch for our students. Our lunch also fell on Christmas jumper day and we had everything from the classic to the ugliest and possibly most magical jumpers.

Christmas Market

We celebrated Christmas yet again on 16th December this time with our Christmas market. Food, games, stalls, face painting and even our very own snow machine were all part of our celebrations with students, family and staff

Farewell to a friend

We are saying goodbye to Jenna our Debuty Principal. Jenna has been a major part of the Endeavour family providing both laughter and support! We all wish her the very best in wherever life takes her and hope that she visits to make us laugh again!

Square Class Newsletter

It is unbelievable how fast this term has gone and despite the challenges and changes, we have managed to learn a lot. We are saying goodbye to a term full of learning experiences, in class and out in the community. Thank you to all our HLTAs and TAs for organising so many fun activities, such as: PE, Dancing, Duke of Edinburgh, Drama, Signing, Storytelling, Yoga, Music, among others.

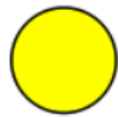

We are saying goodbye to a term full of social activities, using our different communication devices, sharing toys and taking turns with friends, going on trips with peers, waiting for them on walks, sharing spaces and iPads, celebrating birthdays and the most importantly being happy doing our favorite things.

Finally, we have made a huge effort this term working on our enterprise projects which we sold at our Christmas market!

Merry Christmas and Happy New Year.

Star Class

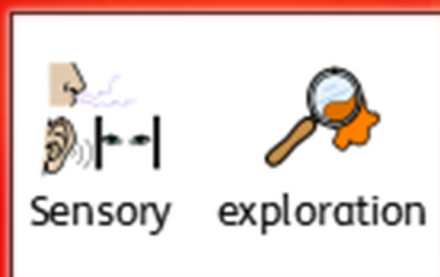

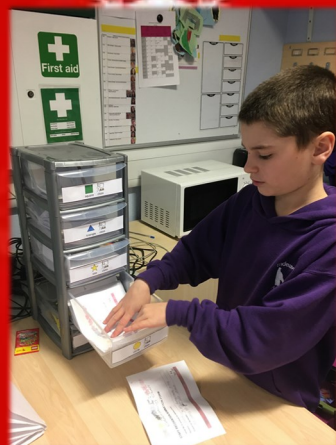

During this term Star class have been preparing for Christmas as well as keeping our regular learning routines of learning in the community, progressing with work experience and working on our learning intentions. We have been learning Christmas songs with signing. We have also been creating Christmas decorations in enterprise lessons to sell at the Christmas market. Star class really enjoyed the Christmas turkey meal with many students had a Christmas treat of second helpings! Star class would like to wish you all a merry Christmas and a happy new year.

Christmas in Triangle Class

This term we have been extremely busy working on a range of enterprise and Christmas activities. Many of these have involved sensory exploration involving different textures, colours, movement and sound. We have also been working hard to develop important life skills through the Talentino programme which has enabled us to help staff across Endeavour including our facilities team. After all our hard work we have had time to choose activities to share with friends and to help us relax ready for more work tasks. We wish everyone reading this newsletter a very Happy Christmas from Triangle class.

After School Club

After school club

It's hard to believe that Christmas is just around the corner!

Our young people have been having lots of fun in After School Club, we've been making individual Christmas decorations that can be proudly displayed at home along with festive crafts & some tasty treats.

From everyone at After School Club we would like to thank you for your continued support & wish you all a lovely Christmas.

Newsletter Endeavour House December 2020

This has been an exciting term at Endeavour House. Despite a two-week isolation period in November, the children have continued to enjoy various activities including visits to a private farm, Christmas markets and long walks in the woods.

In December, we have the pleasure of welcoming new young people to Endeavour House. Grace and Rehan, we hope you enjoy your stay!

Sadly, the House said goodbye to Alberto and Anne G., who have left us recently. Thank you for all that you have done for our young people and staff in making Endeavour House the great place that it is.

In November, we celebrated birthdays for Samuel and Alex. They enjoyed their festivities, which were full of cake, balloons, music, and laughter.
