MESSAGE FROM THE PRINCIPAL

19th May 2017

Dear parents, carers and families

As you are aware we have been joined by Ofsted this week for a full two day Section 5 inspection.

Thank you to all parents who completed questionnaires or met with inspectors. Your views really do matter regarding the amount of progress that you feel your child is making, their happiness and well-being. Please do take time to view the results on parent view:

As you are aware, at this stage, I am unable to share the grading with you until the final report is published.

What I can say is that I could not be prouder to lead Endeavour Academy and feel incredibly privileged to share the journey with such amazing students and colleagues.

I am indebted to the most hardworking colleagues that I have worked with. Their passion for all that they do shone through in the last two days and I know how much the inspection meant to each of them personally.
