

COVID19 Premium spending plan

The government announced the COVID 19 premium would be allocated to all schools regardless if type of the school or the school cohort. All schools can utilize the premium differently – depending of the needs of the students and the school.

Expected fund 2021-2022:

£6000

Money expected	Planned spend	Reasoning	Outcomes for students	Time scale	Evaluation
£6000	Reflexology chairs £1000 Reflexology staff training £1000 Other reflex therapy resources £500 Staff Library £1000	<p>The anxiety levels post COVID19 have been heightened. In order to support young people’s wellbeing Endeavour provides one day reflexology delivered by an accredited reflexologist – Anne Spencer.</p> <p>Anne also provides Reflex Therapy training for staff in order to deliver day to day support for young people in need.</p> <p>We are creating more comprehensive staff library providing staff with the opportunity to upskill. The library will include reference book as well as topic fiction books.</p>	<p>Reduced anxiety</p> <p>Opportunity to look after own wellbeing by requesting reflex therapy.</p> <p>Providing young people with coping strategies.</p> <p>Further knowledge, skills and understanding of our young people and their families.</p>	<p>By April 2022</p> <p>Ongoing thought the year. The library will have a substantial choice of literature by July 2022</p>	<p>Ongoing evaluation of use will be in place.</p> <p>Student feedback where possible</p> <p>Parents feedback</p> <p>Staff feedback</p> <p>Group discussions</p> <p>Book clubs</p>

	<p>Community/ extra-curriculum offer £2500</p>	<p>Community access and one off trips to locations of interest.</p>	<p>Our young people are showing signs of increase anxieties in public spaces. Their acceptance of community member appears lower than before the pandemic. Therefore we believe that greater stress needs to be added to enjoyable activities in the community – trips to museums, parks, amusement parks, libraries, galleries, water parks, animal parks etc.</p>	<p>Ongoing until July 2022</p>	<p>School council feedback Young people choices made when activities are offered.</p>

Report 2020-2021

£7680

Money expected	Planned spend	Reasoning	Outcomes for students	Time scale	Evaluation
£7680	£3000 – Home learning library	Endeavour Academy student cohort does not respond well to online learning as our students need practical and interactive activities to keep their interest and engagement high.	Providing high quality resources for students who are required to self-isolate due to COVID19 to ensure their functional skills and other needs are met outside the school building.	Fully set up for September 2021	Ongoing evaluation of use will be in place. Still in process of gathering parental feedback

	<p>£3000 Interactive board in the school building corridor</p>	<p>The independent use of IT</p> <p>Making choices</p> <p>Finding information</p>	<p>An easily accessible large IT device will provide our students with widely accessible information regarding the school – lunch menu, star of the week, school council info, word of the week, whole school events, etc.</p> <p>The board will have a dashboard with multiple topics for students to choose from.</p>	<p>In place for September 2021</p>	<p>Improved physical dexterity in number of young people (tracked by OT)</p> <p>Staff feedback on the use of the board was positive.</p> <p>Ongoing review of the dashboard in use</p> <p>Our young people are often seen to check for information but also initiating interaction with others using the dashboard.</p>
	<p>£1680 – staff training for the two above</p>	<p>Record keeping, resources tracking and replacement of resources.</p> <p>Staff training would be provided in order to set IT device currently and keep them updated regularly</p>	<p>Training provided will ensure that the library is kept up to date, resources are lent out and returned in time. Resources are replaced when needed.</p> <p>A small group of staff team will be provided with a training on updating the dashboard (up to 5 staff members)</p>	<p>Staff to be trained before Summer holiday 2021</p> <p>Ongoing training updates for the team during the 2021-2022</p>	<p>Evaluated as part of the SLT IT/workforce developmental plan audit once a year</p> <p>This training will be ongoing in the upcoming academic year.</p>
