# Sensory circuit & fitness equipment

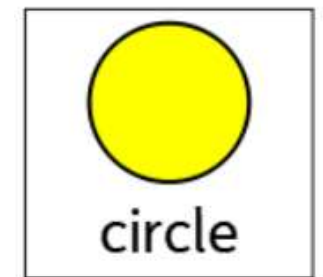

# Star class

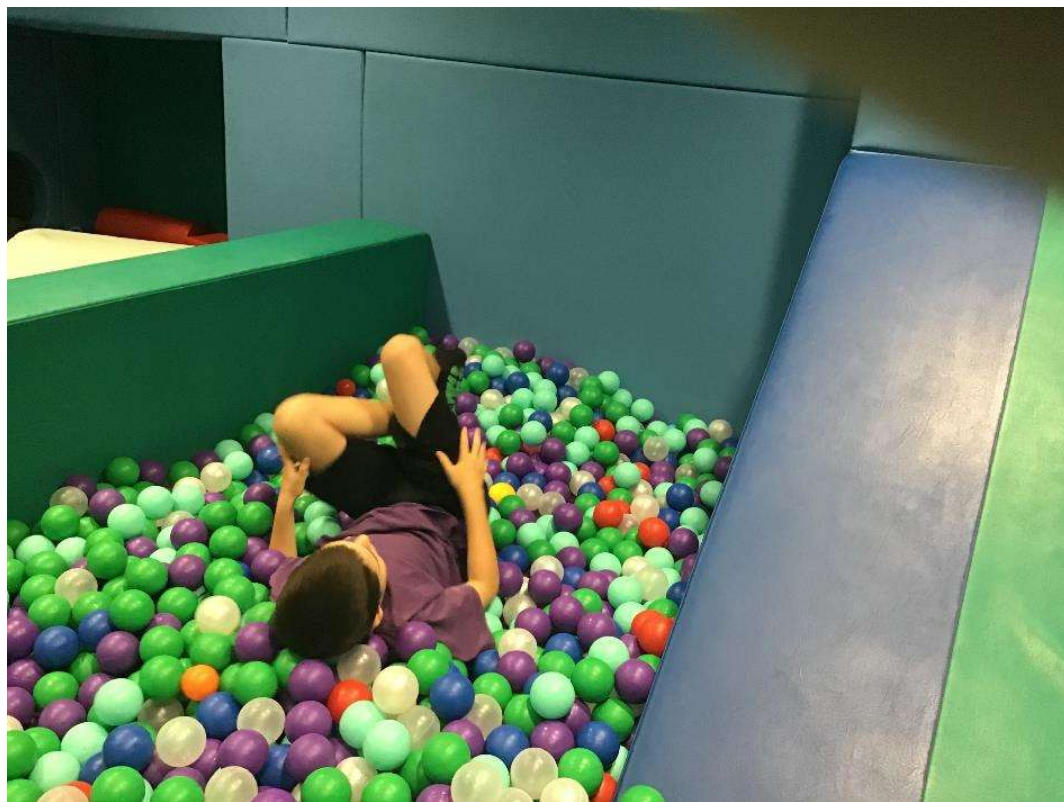

# Circle class

# Ball pool

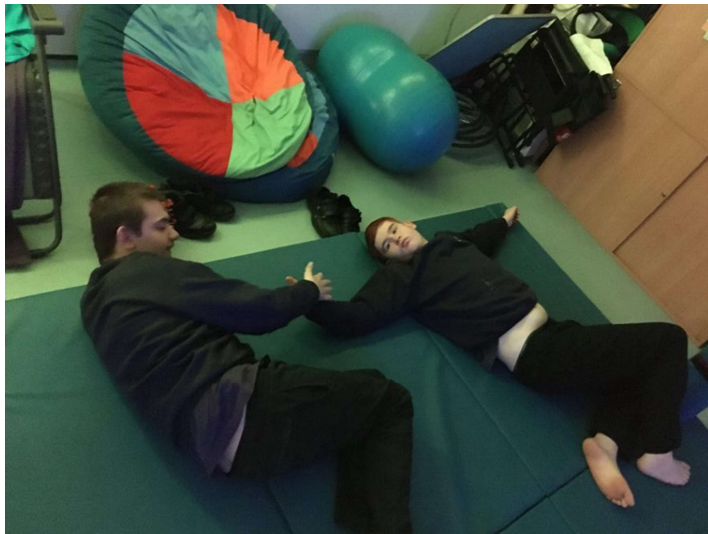

# Hub

# Therapy room

Speech and language sessions – communication, social & emotional work through Zones of Regulation and Social stories.

Early play skills including awareness of self & others, interaction and turn-taking

RSE around body awareness, public & private to keep students safe.

Occupational therapy – fine & gross motor skills, co & self-regulation

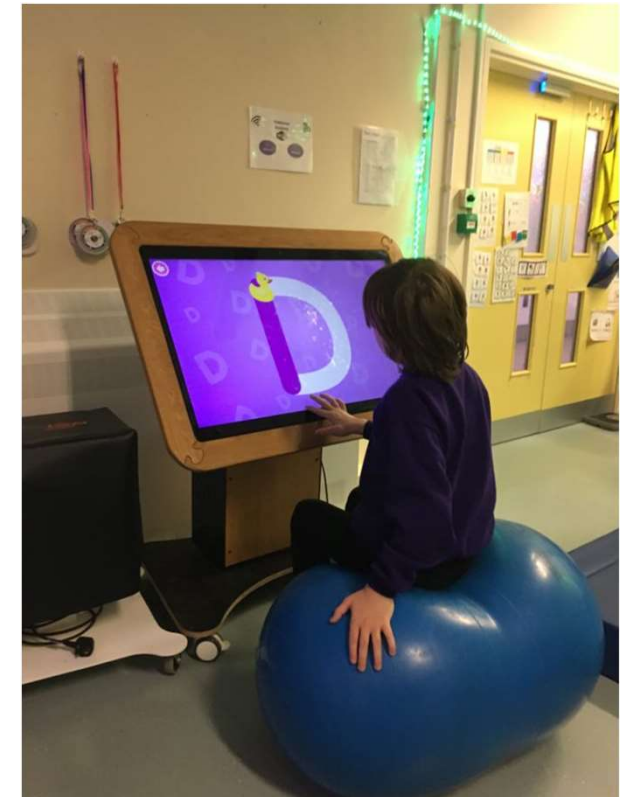

# Interactive equipment

Interactive floor encourages students to work together for a common cause.

2 cardio walls to promote exercise in a fun way.

Tiny tablet is a fun way to develop motor control, co-ordination, problem solving and concentration skills.

# Trampoline area

# Joe's music corner

A colourful space to listen to or make music while remembering our friend Joseph.

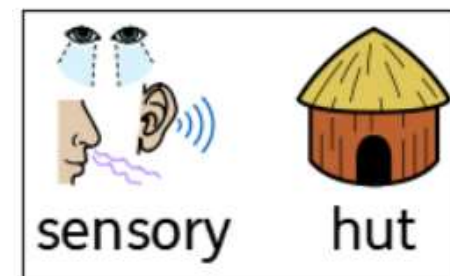

# Sensory hut

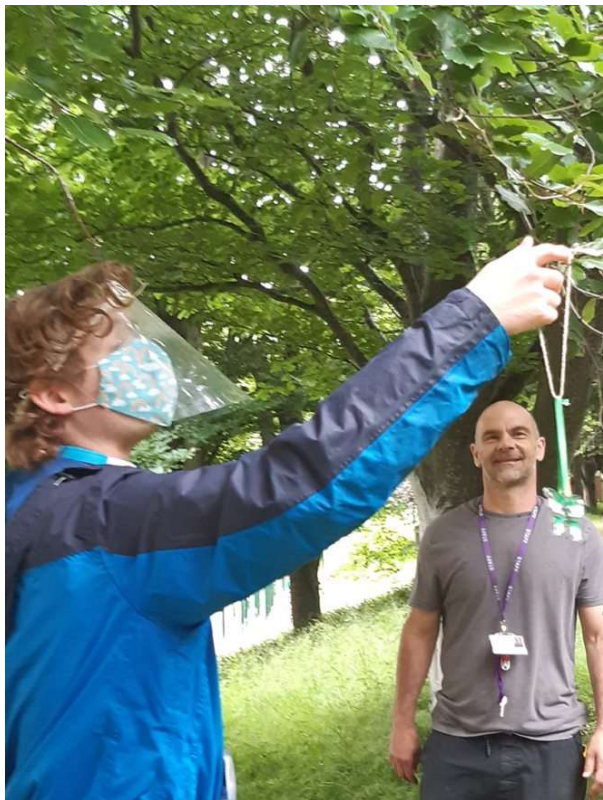

The students are using a range of art & craft techniques to decorate the inside and outside of our new sensory hut to make it a relation place for co & self-regulation.

# Sensory garden

A safe space to enjoy learning in the natural environment and experience the changing seasons.

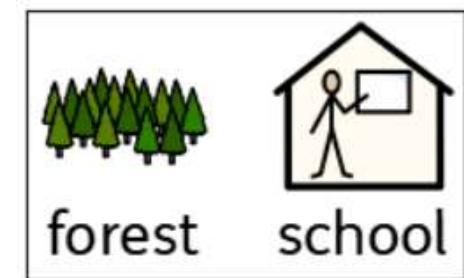

# Forest school

The opportunity to use natural objects in our safe Forest School area.

# Luke's Lookout

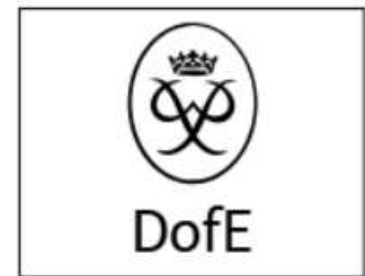

A place to relax or play while remembering our friend Luke.

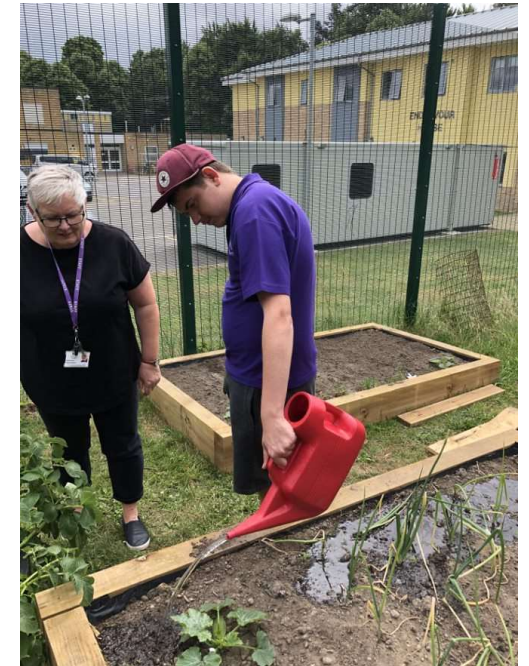

# Duke of Edinburgh

# Vegetable garden

Raised vegetable beds and a poly tunnel offer opportunities to work in the outdoors.

# Work experience opportunities

Car & minibus washing

Taxi duty

Cleaning windows & fixing radiator covers

# After school club

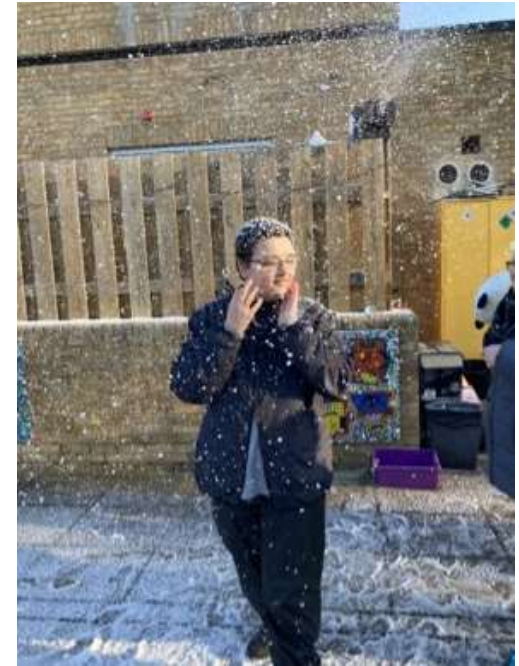

A place to develop social skills  
and have fun.

# Endeavour events – Christmas market

A fun, family & community event within a safe, familiar environment.

# Endeavour events – Sports day & end of year reports

# Endeavour events – Leavers ball

A wonderful way to celebrate the many achievements of students as they finish their Endeavour journey.
