

MESSAGE FROM THE PRINCIPAL

24th March 2017

Dear parents, carers and families

It has been so lovely to see everyone joining in the festivities of Red Nose Day today.

As ever, there have been many highlights across the week including a visit from guide dog Kimber with handler Nicola.

I have had the pleasure of spending time in triangle class this week where they have been learning about postmen and women as part of our 'people who help us in the community theme'. They have created letters and delivered them to other classes and the Senior Leadership Team. On Thursday they walked to the local post-box to post letters home. I hope you enjoyed receiving your letter from the triangle class students.

We are delighted to share the good news with you that two new pupils will be joining us next term; Kieran in triangle class and Anna in star class. Both pupils have started transition work with us and are beginning to settle in well. We welcome them to the Endeavour family.

Nut Free School

Further to my letter, attached with the newsletter, just a reminder to all that we are a nut free school. Please ensure, especially in packed lunch boxes, that foods do not contain nuts or traces of nuts.

World Autism Day

We are very much looking forward to world autism awareness week next week. We have many exciting activities for the students to take part in throughout the week.

We are all asking members of the Endeavour community to wear blue clothes on Monday 27 March.

Parents Evening

We do look forward to seeing you at parents' evenings on Tuesday and Thursday next week. If you have not already made your appointment please contact Andrea Lawther in the School Office on 01865 767766 or via the school email

MacIntyre Lottery

I enclose a leaflet advertising the MacIntyre lottery. A great opportunity to win the top prize of £500 each month whilst also raising funds.

Reminder:
