

## **MESSAGE FROM THE PRINCIPAL**

**10<sup>th</sup> March 2017**

Dear parents, carers and families

It has been so lovely to see our students getting outside more this week and enjoying the facilities in the spring sunshine. It feels like our students have moved into fifth gear this week with many firsts in every area of the school and Endeavour House. Our students are working incredibly hard and the progress is so apparent as I spend time in classrooms and in Endeavour House. Thank you and well done to all staff for their creativity, passion and drive to make a difference every day.

### **Staff**

We welcome Dan Smith as a new Residential Support Worker and Veronica Fardella as a new TA. We say goodbye to Hilary Evans (TA) today as she takes up a new post closer to home and to Joe Lawes our Occupational Therapy student who has just been the most energised, dedicated student that we have had at Endeavour. We wish them both every success in the future.

### **Future Events**

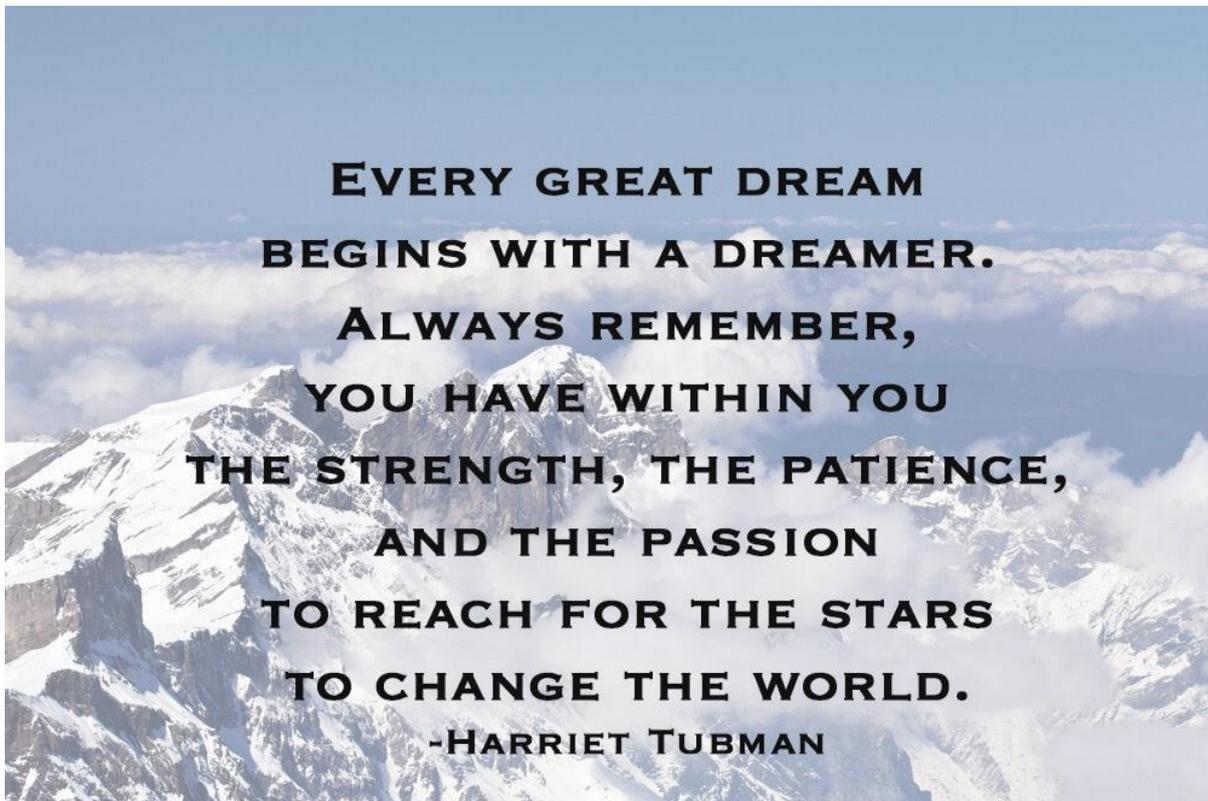

Next week we look forward to Holi and St Patrick Day celebrations across school.

## Reminder

### Inviting All Families: Family Information Event

On Thursday 30th March we are holding a family information event at Endeavour from 5.30pm-7.00pm. At this event there will be lots of different organisations who can offer a variety of support for your family as well as looking at future options for example colleges and employment. This event isn't just open to Endeavour families but to all local families who do not know where to go for additional support or future options. Please invite anyone who you feel would benefit from the event. Flyer with more information to follow next week.

To finish on this week's quote:

Towards a bright future

Best wishes

Angela O'Rourke  
Principal
