

External qualifications at Endeavour Academy

Endeavour Academy aims to provide children and young people with opportunities to gain nationally recognised qualifications. We recognise that our students are not likely to access SATs, GCSEs or A levels due to their learning disabilities and level of their complex needs. However, we celebrate our students' success by seeking meaningful alternatives.

ASDAN modules for worked on throughout the school so that learners can develop their knowledge and skills. From 2023 we made the decision to only submit modules for external certification when a young person leaves Endeavour to ensure they gain the highest level possible.

We share our performance table below.
