

MESSAGE FROM THE PRINCIPAL

Dear parents, carers and families

You will be delighted to hear that we have had a marvellous week across school with many incredible WOW moments from our students. These have ranged from a student getting on a horse for the first time to a student showing self-regulation in managing his behaviour. We are all immensely proud of each and every one of your children and know what joy they bring to us.

We have welcomed our Regulation 44 Inspector in Endeavour House this week (these inspections take place monthly) and I will share the positive comments that he has made with you soon.

I personally have been at Discovery Academy on Wednesday this week (our sister school in Nuneaton and the second school in our Multi-Academy Trust) and was involved with the Trust Leadership Group in scrutiny and vision for the future. Thank you to Michaela Soporova (Assistant Headteacher) for overseeing the school in my absence.

I am now reaching out to you for support please. Can I please sign post you to the Ofsted parent view site. In order for Endeavour to feature we need at least six families to register and complete a small questionnaire. I know how supportive and complementary you are regarding Endeavour and the care of your children and would appreciate if you could take a few moments of your time to reflect these views in the Ofsted questionnaire:

To finish on a quote:

Don't be afraid of change it is leading you to a new beginning

I do hope that you have quality family time this weekend and look forward to welcoming your children back for another exciting week ahead on Monday morning.

Towards a bright future.

Best wishes

Angela O'Rourke
Principal
