## MESSAGE FROM THE PRINCIPAL

Dear parents, carers and families

A warm welcome back to all of our students this academic year. To see the faces of our staff on Monday when the children arrived back showed how much we have missed them over the holiday. Thank you to parents for keeping us up to date over the holidays.

New students joining us this term are Andrew in Star Class and Jessica and Harry in Triangle Class. We welcome them and their families to the Endeavour family and already they are looking like they have always been here.

We also welcome new staff this term. Harriet has joined Circle Class and Moises Triangle Class. I am sure that you are aware that Cathy and Hilary also joined us before the holiday. All are very good practitioners who are real assets to Endeavour Academy.

We are all very excited about this academic year and what it will bring. To make you aware, it is highly likely that we will have our first Ofsted inspection, as this is our third year of operation as a new school.

I have recently reviewed the school evaluation form and this has been shared with Trustees. I will share this with you over the coming weeks. This week we have welcomed our school improvement partner, who commented on the wonderful family atmosphere that exists at Endeavour and praised our incredibly hardworking staff and their care of your children.

I look forward to working with you over the coming months and would like to reiterate that nothing is too much trouble. Please do contact us immediately if you have suggestions for improvement or any concerns.

To finish on a quote 'excellence in education is when we do everything that we can to make sure our students become everything that they can be'.

Thank you to all parents for their continued support, to all students for continuing to make me smile every day and to our incredibly hardworking staff who make a difference in the lives of our students every single day.

Towards a bright future.

Best wishes
